Videos	58
Consensus Meetings	58
Latin American Work Groups	59
Institutional Agenda-Meetings	60
Programmes	60
Book Presentation	60
Art Exhibition	60

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Opening Lecture

The Discourses of Psychiatry: Unity and Heterogeneity
Lolas Fernando (Chile)

Plenary Session

Our People's Mental Health: Absolute Priority
Presenters: Belfort E.; Sanchez C.; Mazzarella X. (Venezuela)

The Need to Protect and Promote Physical Health in People with Severe Mental Illness
Maj Mario (Italy) WPA

Mental Health in Latin America and the Caribbean: Challenges and Perspectives
Rodríguez, Jorge (USA) PAHO-WHO

Stigma, Psychiatry and Quality of Life
Sartorius Norman (Switzerland)

Reforms on Mental Health
Caldas de Almeida José M. (Portugal)

Bioethic and Psychiatry
Lolas Fernando (Chile)
PAHO-WHO

Human Rights and Mental Health
Mejía Guerrero Luz Patricia (Venezuela)
CIDDDH-OEA

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Lectures

Setting Boundaries between Common Mental Disorders and Homeostatic Reactions to Adverse Life Events.

Maj Mario (Italy)

Psychiatry and Medicine focused on the Person: Global and Latin American New Perspectives

Mezzich Juan (USA)

Towards New Nomenclatures: Possible Clinical and Cultural Drafts in the DSM-IV

Alarcón Renato (USA)

The Identity of Psychiatrists in the 21st Century

Tasman Allan (USA)

Social-Economic Impact on Mental Health

Ruiz Pedro (USA)

Long Term Effective Treatment of Depression

Roca Miguel (Spain)

Evolutionary Model for an Integral Approach to Mental Disorders

Baptista Trino (Venezuela)

Ethic and Values in Psychiatry

Baca Baldomero Enrique (Spain)

Globalization and Psychiatry: Risks and Opportunities

Sartorius Norman (Switzerland)

Anxiety and Logos: An Excursion to the Origin of Human Conscience

López-Ibor Juan J. (Spain)

Bipolar Disorders: Integral Treatment

Vieta Eduardo (Spain)

Depression Disorders: Integral Approach

Leonard Brian (Ireland)

Uncovering the Roots of Human Aggression: Biological Base, Psychodynamics and Consequences

Thomashoff Hans-Otto (Austria)

Can PTSD be prevented? - From Animal Models to Clinical Applications

Zohar Joseph (Israel)

Comorbidity of Depression and Anxiety: Common and Distinct Features

Küey Levent (Turkey)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

The Concept of Schizoaffective Disorder. Usefulness versus Validity. Transcultural Perspective
Okasha Ahmed (Egypt)

Is there a Place for Sub threshold Psychiatric Disorders?
Okasha Ahmed (Egypt)

Neuroimaging & Psychiatry
Gaviria Moisés (USA)

The Use of SSRI Antidepressants in Children and Adolescents
Birmaher, Boris (USA)

ADHD: Current Review of its Approaches
Birmaher, Boris (USA)

The Eternal Paradox
Silva, Camilo (Venezuela)

Depression, Epidemiology and Evaluation: Central European Perspective
Raboch Jiri (The Czech Republic)

Psychiatry: Current Issues
Vallejo, Julio (Spain)

Physicians with Psychiatric and Addictive Pathology: Programme of the Colegio Oficial de Médicos de Barcelona, Spain, for Physicians with Disorders
Casas, Miguel (Spain)

Antidepressants in Pregnancy. New Consensus Statement of APA and ACOG
Stewart Donna (Canada)

The WPA Survey on Disclosure of Child Sexual Abuse and Dr-Patient Sex
Stewart Donna (Canada)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

[DSM-TR In Bolero](#)

Baena Eduardo (Colombia)

[Cognitive Dysfunction in Schizophrenia: are Antipsychotics of Second Generation the first Option?](#)

Tamayo Jorge (Colombia)

[Homosexuality: Biology, Myths, History and Realities](#)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Addictive Behaviors & Dual Pathologies: I Congress of the Iberoamerican Association

Symposium I: Dual Pathology: Latin American Perspective

Coordinator: Didia Javier (Argentina) APAL Addiction Section.

Symposium II: Institutional Approaches in Addictions and Dual Pathology

Coordinator: Martínez Raga Jose (Spain)

Symposium III: Clinical Evidence in Addictions and Dual Pathology

Coordinator: Haro Gonzalo (Spain)

Symposium IV: Psychiatry and New Addictions Modalities

Coordinator: Velazquez Elvia (Colombia) ALAD

Symposium V: Evaluation in Addictions and Dual Pathology

Coordinator: Didia Javier (Argentina)

Institutional Symposia

WPA Regional Symposium: Region of the Americas and Mental Health - WPA

Speakers:

Region I: Analysis and Perspectives - Canada

Arboleda Julio (Canada)

Region II: Analysis and Perspectives - United States of America

Riba Michel (USA)

Region III: Analysis and Perspectives - Mexico-Central America & The Caribbean

Camarena Enrique (Mexico)

Region IV: Analysis and Perspectives - Northern South America

Belfort Edgard (Venezuela)

Region V: Analysis and Perspectives - Southern South America

Montenegro Roger (Argentina)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

GLADET Symposium

APAL Ethopsychiatry Section

Research on Cultural Psychiatry in Latin America, Realities and Possibilities

Speakers:

Cultural Psychiatry in Mexico

Villaseñor Bayardo Sergio J. (Mexico)

In search of "El Dorado": areas of investigation on cultural psychiatry in Latin America

Alarcón Renato (USA)

Three Anthropological Glances on the Venezuelan

Montelongo Ricardo (Mexico)

APAL – FFP Symposium

Federation Francaise de Psychiatrie, FFP / APAL, Latin American Psychiatric Association
Mental Health Policies

Chairpersons: Botbol Michel (France)

Montenegro Roger (Argentina)

Co-Chairperson: Areco Anibal (Argentina)

Speakers: Botbol Michel (France)

Jorge Miguel (Brazil)

Camarena Enrique (Mexico)

APAL – FFP Symposium

Federation Francaise de Psychiatrie, FFP / APAL, Latin American Psychiatric Association
Clinical Features and Treatment on Depression and Anxiety Disorders

Chairpersons: Botbol Michel (France)

Mezzich Juan (USA)

Co-Chairperson: Areco Anibal (Argentina)

Speakers: Gastelumendi Eduardo (Peru)

Maximiliano Luna (Argentina)

Barriguete Armando (Mexico)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

ASHP Symposium / American Society of Hispanic Psychiatry, ASHP
The Use of Antipsychotic Medication and Physical Health

Chairperson: Kopelowicz, Alex J.(USA)
Co-Chairperson: Zarate Roberto (USA)

Speakers:

The Pharmacology of Cognitive Functioning: New Approaches
Cienfuegos Angel (USA)

Physical and Emotional Well-being as Goal of Treatment for Severe Psychiatric Disorders
Kopelowicz, Alex (USA)

Teaching Patients Auto Managing illness Strategies
Zarate Roberto (USA)

APAL – APA Symposium

APAL, Latin American Psychiatric Association – American Psychiatric Association
The Role of Spirituality in Mental Health Care

Chairpersons: Stotland, Nada (USA)
Co-Chairpersons: Ruiz Pedro (USA)
Belfort Edgard (Venezuela)

Speakers / Speakers:

Introduction
Ruiz Pedro (USA)

Tensions between Religion and Women's Mental Health
Stotland, Nada L (USA)

The Role of Spirituality in Mental Health
Pi, Edmond H.T. (USA)

The Science of Well-being – The Evidence of the Need to Foster Spiritual Values and Well-being in Clinical Practice
D'Souza, Russell (Australia)

AEPD – APAL Symposium

Spanish Association of Dual Pathology / APAL, Latin American Psychiatric Association
The Challenge of Dual Pathology

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Chairperson: Szerman Nestor (Spain)
Co-Chairperson: Koldobsky Nestor (Argentina)

Speakers:

[ADHD in Adults with Addictions](#)
Vega Pablo (Spain)

[Dual Bipolars](#)
Basurte Ignacio (Spain)

[Dual Schizophrenia](#)
Roncero Carlos (Spain)

[Personality and Cannabis](#)
Szerman Nestor (Spain)

Spanish Psychiatric Associations / APAL, Latin American Psychiatric Association
A Feasible Research

Chairperson: Baca Enrique (Spain)

Speakers:

[Possibilities of a Competitive Investigation](#)
Saiz Jeronimo (Spain)

[Subject for a Possible Research: The Suicide](#)
Bobes Julio (Spain); Giner Jose (Spain)

[Biocultural Connections in Psychopathology: New Challenges in Psychiatric Research](#)
Alarcón Renato (USA)

Iberoamerican Meeting

Fundación Española de Psiquiatría y Salud Mental
Sociedad Española de Psiquiatría
Sociedad Española de Psiquiatría Biológica

SVP Symposium / APAL, Latin American Psychiatric Association
Relevant Experiences of Venezuelan Psychiatry

Chairperson: Alvarado Yolanda (Venezuela)

Speakers:

[Experience in the Study of Metabolic Dysfunctions associated to the Use of Medication](#)
Baptista Trino (Venezuela)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Experience in the Investigation of Serotonin System in Lymphocytes during Depression

Lima Lucimey (Venezuela)

Experience in the Boarding of the Schizophrenic Patient and its Family, CATESFAM

Andrade Nestor (Venezuela)

Experience in the Formulation of Guidelines of the Venezuelan Society of Psychiatry for the Boarding of Addictions

Mazzarella Xiorella (Venezuela)

LANAD - Latin American Network Affective Disorder / APAL, Latin American Psychiatric Association

A Critical View for the Comprehension of Affective Disorders in Latin America

Chairperson: Forero Jorge (Colombia)

Prescription Habits for Bipolar Disorder in Latin America

Heeren Oscar (Peru)

Affective and Emotional Temperaments in Latin America

Lara Diogo (Brazil)

Diagnostic and Therapeutic Recommendations for Bipolar Disorder

Pinto Olavo (Brazil)

Antidepressants and Bipolar Disorder

Vasquez Gustavo (Argentina)

CICAD-OAS Symposium / APAL, Latin American Psychiatric Association

Inter-American Drug Abuse Control Commission

Hemispheric Strategy on Prevention and Treatment of Drug Abuse Problems. Answering New Challenges

Chairperson: Alfonzo Bello Luis (CICAD, OEA)

Speakers:

Improving Drug Dependence Treatment in Latin American and Caribbean Countries

Alfonzo Luis (USA)

School Prevention. "Leones Educando" Programme. An Experience

Luna Maria Paula (USA)

Local Treatment Network in Montevideo city. EULAC Project

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Triaca Juan (Uruguay)

Luso Brazileria Activity / APAL, Latin American Psychiatric Association
Associação Brasileira de Psiquiatria / Portuguese Association of Psychiatry

Round Table I: [Advances in Psychopharmacology](#)

Coordinator: Abib Adad Miguel (Brazil)

Speakers:

[Psychotic Disorder](#)
Palha Antonio (Portugal)

Brazil Marco Antonio (Brazil)

[Fobic Disorder](#)
Barbosa Mauro (Brazil)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Round Table II: [Psychopathology and Psychodynamic](#)
Coordinator: Dias Joao (Brazil)

Speakers:

[New Psychodynamic Approaches in Borderline](#)
Maia Herberto (Brazil)

[Psychodynamia and Psychopathology](#)
Carvalho Joao (Brazil)

[Psychopathology and Diagnostic Categories](#)
De Abreu Pio (Portugal)

Industry Activities

Symposium / Nolver

[Boleros and Emotions](#)

Chairperson: Mella Cesar (Dominican Republic)

Co Chairperson: Noya Nils (Bolivia)

Speakers:

Solis Fior (Dominican Republic)

Silva Camilo (Venezuela)

Cendon Zulema (Venezuela)

Marquez Floria (Venezuela)

Enjoying Boleros: "Floria Marquez Show"

Symposium / Wyeth

[From Neurobiology to Functional Recovery in Depression: desvenlafaxine, a New Treatment Option](#)

Chairperson: Mazzarella Xiorella (Venezuela)

[Neurobiology of depression: beyond remission, the importance of getting the patients back to functioning](#)

Baptista Trino (Venezuela)

[Challenges in treating depression: vulnerability and opportunity windows in the treatment of depression - the case of depression in women](#)

Díaz Bárbara (Puerto Rico)

[Desvenlafaxine as a new treatment option to help depression patients get back to functioning](#)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Soares Claudio (Canada)

Q &A and Conclusions

Symposium / GlaxoSmithKline

Bipolar Disorder

Bipolar Disorder Maintenance Treatment. A Long-Term Focus

Goodwin Fred (USA)

Quiroz Danilo (Chile)

Symposium / Janssen-Cilag

Improving Antipsychotic Therapy for Better Patient Outcomes

Speakers:

Oropeza Pastor (Venezuela)
Gomez Calzada Ubier (Colombia)
Cañas de Paz Fernando (Spain)

Symposium / Roemmers

The Importance of OCDs

Chairperson: Caterina Franca (Venezuela)

Speakers:

Clinical Features and Comorbidity
Madrid Luis (Venezuela)

Biological Treatment
Batista Trino (Venezuela)

OCDs: New Indications for Escitalopram
Lima José (Uruguay)

Psychotherapeutic Approach
Caterina Franca (Venezuela)

Symposium / Drugtech

Art & Stigma

Art against Stigma

Thomashoff Hans-Otto (Austria)

Functions of Art in the Mental Health Context

Sukhanova Ekaterina (USA)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Symposia

How the Brain generates Delirious Activity

Chairperson: López-Ibor Juan J. (Spain)

Speakers:

Delirium. Conceptual History: Beyond the DSM
Fuentenebro Filiberto (Spain)

Brain Circuits and Neuroimaging in Schizophrenia
López-Ibor Maria Inés (Spain)

From Primary Auditory Processing to Cortical Disorder in First Episodes
Ortiz Tomás (Spain)

From Phenomenology to Auditory Processing Endophenotypes
Cañive José (USA.)

How The Brain Generates Delirium Phenomena
López-Ibor Juan J. (Spain)

Dual Pathology: From Theory to Clinical Practice

Chairperson: Muñoz R. (Spain)

Speakers:

First Steps of "Dual Pathology."
Cervera Martínez G. (Spain)

Dual Pathology: From Reference Units to Integrated Health Programs
Haro Cortés G. (Spain)

An Approach Based on Dual Pathology Evidence
Martínez-Raga J. (Spain)

Psychopharmacology: A Cross-Cultural Perspective

Chairperson: Pi, Edmond (USA.)

Co Chairperson: Ruiz, Pedro (USA)

Speakers:

Psychopharmacology and Ethnicity
Ruiz Pedro (USA)

Social Aspects of Ethnopsychopharmacology: An Arab Perspective
Okasha Tarek (Egypt)

Physiologic and Metabolic Differences in Cross-Cultural Psychopharmacology
Pi Edmond (USA)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Diagnosis and Classification: New Insights

Chairperson: Villaseñor Sergio J. (Mexico)

Speakers:

New Insights in OCD, and How They Might Affect DSM-V
Zohar Joseph. (Israel)

Towards DSM-V: What is the Nosological Place of personality Disorders?
Alarcón Renato (USA)

Formation Processes and International Classifications
Padilla Franklin (Venezuela)

Psychopathology and Classification in Psychiatry
Jorge Miguel (Brazil)

Domestic Violence in Andean Countries. Echosistemic Análisis and Approach

Chairperson: Saad Emma (Ecuador)

Co Chairperson: Acha Julio (Peru)

Speakers:

Genesis of Violence
Toledo F. (Ecuador)

Family Dysfunctional Disorders and Domestic Violence
Maaass Juan (Chile)

The Aggressor within the Family Nucleus, their Personality and Effective
Psychiatric Treatments
Acha Julio (Peru)

Psychological Consequences in Victims of Domestic Violence: Individual and
Family Approaches
Saad Emma (Ecuador)

Community Care and Mental Health Service to People Who Have Suffered
Domestic Violence
Montaño Everth (Bolivia)

Current Features of Transcultural Psychiatry

Chairperson: Gutierrez Miguel (Spain)

Speakers:

Intercultural Mediation in Sanitary Area as a First Step for an Efficient Transcultural
Psychiatry: The Experience of the Program of the Foundation "La Caixa" in Spain

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Casas Miguel (Spain)

Migration and Mental Health: The Spanish Experience

Gutierrez Miguel (Spain); Blanco Alfonso (Spain)

Displacement Phenomenon in Colombia. An Internal Migration Problem.

Psychopathological Notes

Cordoba Rodrigo (Colombia)

Somatic Pathology in Grave Mental Patient

Chairperson: Giner Jose (Spain)

Speakers:

Somatic Pathology in Depressive Disorders

Saiz Jeronimo (Spain)

Somatic Pathology in Bipolar Disorders

Bobes Julio (Spain)

Somatic Pathology in Schizophrenia

Bernardo Miguel (Spain)

Post Traumatic Stress Disorder in Contemporary Society

Chairperson: López Maria Antonieta (Venezuela)

Speakers:

Psychoneuroendocrinology and Psychopharmacology of Trauma

Unda Dalia (Venezuela)

Post Traumatic Stress Disorder (PTSD): Clinic and Psychotherapeutic Treatment

López Maria Antonieta (Venezuela)

Psychopharmacological Treatment of PTSD in Child and Adolescents

Díaz Luisana (Venezuela)

From Completed Suicide to Secondary Prevention

Chairperson: De Arce Rosario (Spain)

Speakers:

Introduction to the Epidemiology of Suicide

De Arce Rosario (Spain)

Impulsivity, Suicide and Affective Disorders

Baca-García Enrique (Spain)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

[Psychological Autopsy of Completed Suicide](#)
Giner Lucas (Spain)

[Secondary Prevention of Suicide Thoughts in Primary Care](#)
García Parajuá Pedro (Spain)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Informal Caregivers in Mental Health

Chairperson: Blanco Alfonso (Spain)

Speakers:

The Role of Informal Caregivers
Baca Enrique (Spain)

Morbidity and Quality of Life in Informal Caregivers

Situational Vulnerability: Is There a Profile of the Victims?
Pereira Adhelma (Argentina)

Considerations Regarding Penalization: Alternative Responses to the Workplace Harassment Experience
Lucatelli Graciela (Argentina)

Psychological Violence in the Legislation
Sarache Xarifa (Venezuela)

Imputability and Inimputability in Schizophrenic Patients: An Overview of Current Therapeutic Processes.

APAL's Intersections: Schizophrenia – Psychiatry and Law, APAL

Chairperson: Lucatelli Graciela (Argentina)

Co Chairperson: Hernández Ruben (Venezuela)

Speakers:

Interpretation of Imputability in Patients with Schizophrenia: a Review
Hernández Ruben (Venezuela)

Response Rates to New Treatments for Patients with Schizophrenia
Bertoldi Alberto (Argentina)
Patients with Schizophrenia: Are They Capable of Comprehending and/or Committing a Criminal Act?
Arboleda Florez Julio (Canada)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Family Conflicts: Are They Solved at Judicial Instances?

APAL's Intersections: Women and Mental Health – Childhood, Adolescence and the Family, APAL
Chairperson: Ramirez Francisco (Honduras)

Speakers:

The Role of Women in Family Conflict
Bergoglio Carolina (Argentina)

Attention Centers for Families in Conflict
Maass Juan (Chile)

New Legislations and Juridical Responses in Practice
Dionisio Leandro (Argentina)

Schizophrenia, First Episode. From Diagnosis to Treatment

Chairperson: Pérez lo Presti Alirio (Venezuela)

Speakers:

Historical Review and Cultural Aspects of Schizophrenia
Piñero Javier (Venezuela)

Clinic and Pharmacological Treatment. Current Proposal on How to
Handle the First Episode
Pérez lo Presti Alirio (Venezuela)

Complications and Secondary Effects of Antipsychotics
Ramírez Homero (Venezuela)

Structural Changes in Adolescents with a First Psychotic Episode
Medina Oscar (Venezuela)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Neuropsychiatry of Schizophrenia during Adolescence

APAL's Intersections: Clinical Research, Neuroscience and Psychiatry and the Economy of Health

Chairperson: Maris Di Cio Stella (Argentina)

Speakers:

Profiles of Schizophrenia and Ethnic Groups

Murillo Sara (Honduras)

Anatomo-clinical Correlation of Hebephrenic Schizophrenia

Tornese Elba (Argentina)

Early Symptoms of Schizophrenia and Gender

Camarena Enrique (Mexico)

Social and Economic Impact of Early Onset Schizophrenia

Gargolov Pedro (Argentina)

Humanitarian and Neuroscientific Achievements of Social Dependence

Chairperson: Lagos Darío (Argentina)

Speakers:

Frontal Lobe and Dependence Behaviour

Tornese Elba (Argentina)

Social Dependence of Addictions

Sánchez Bello Cesar (Venezuela)

Main Factors of Social Dependence

Valdés Mier Manuel (Cuba)

Mental Disorders and Social Dependence

Correa Eduardo (Chile)

Neuropsychiatric Advances in Psychosis

Chairperson: Tornese Elba (Argentina)

Speakers:

Psychopathological Assessment and Determination of the Pharmacological Choice in Schizophrenia

Pacheco Antonio (Venezuela)

Cognitive Neuropsychiatry of Neurodevelopmental Disorders

Tornese Elba (Argentina)

Psychopathological Parameters of Toxic Psychosis in Drug Dependent Individuals

Velásquez Elvia (Colombia)

Therapeutic Modalities in Rehabilitation for Aging Disorders

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Valdés Mier Manuel (Cuba)

Neuropsychiatry of Violence and Human Rights

Chairperson: Tornese Elba (Argentina)

Speakers:

Neuropsychiatric Assessment in Missing Child Situations
Lagos Dario (Argentina)

Social Behaviour and Violence
Maass Juan (Chile)

Neuropsychiatry of Criminal Violence
Tornese Elba (Argentina)
Violence in Drug Dependent Individuals
Velásquez Elvia (Colombia)

Neuroscience, Addictions and Human Rights

APAL's Intersection: Neuroscience, Human Rights, Pathological Game and Other Behavioural Addictions

Chairperson: Tornese Elba (Argentina)

Speakers:

Neuroscientific Approach to the Human Rights Implications in Psychoevolution Development
Tornese Elba (Argentina)

Addictive Behaviour and Human Rights: Vulnerability, Transgression and Reciprocity Development
Sánchez Bello Cesar (Venezuela)

Mental Implications of Situations Involving Human Rights Violation
Lagos Dario (Argentina)

Institutional Violence and Human Rights
Maass Juan (Chile)

Neuroscience and Addictions in Environmental Genetic Interaction

APAL's Intersection: Neuroscience, Human Rights, Pathological Game and Other Behavioural Addictions

Chairperson: Sanchez Bello César (Venezuela)

Speakers:

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Genetic Implication in Brain's Reward Mechanisms and Interaction of Neurotransmitters in Addictive Psychopathology

Tornese Elba (Argentina)

Social Behaviour and Addictions

Velázquez Elvia (Colombia)

Resiliencies and Addictions

Sanchez Bello Cesar (Venezuela)

Behavioural Vulnerability regarding Women's Addictions and their Environmental Prevalence

Correa Eduardo (Chile)

Pain and Mental Disease

Chairperson: Vielma Xiomara (Venezuela)

Co Chairperson: Bolaños Joyce (Venezuela)

Speakers:

Alleviating the Pain and Emotional Disorders

Bolaños Joyce (Venezuela)

Depression and Chronic Pain in an Outpatient Setting

Vielma Xiomara (Venezuela)

Cognitive-Behavioural Therapy in Chronic Benign Pain

Millán Ana (Colombia)

Chronic Pain and Mental Disorders

Caamaño Beatriz (Colombia)

Dual Pathology in Latin America

ALAD and APAL Drug Abuse Section

Chairperson: Didia Attas Javier (Argentina)

Speakers:

Depression and Tobacco

Didia Attas Javier (Argentina)

Bipolar Disorder and Addictions

Velásquez Elvia (Colombia)

Dual Pathology at the Centro Terapeutico Ñaña

Cuevas Rafael (Peru)

Pathological Game and Dual Pathology

Sánchez Bello Cesar (Venezuela)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Dual Pathology and Alcoholism in Ecuador
Pacurucu S (Ecuador)

Adolescents at Risk: The Costumer Social Message and the Constitution of the Personality

APAL Drug Abuse Disorder and Personality Section

Chairperson: Didia Attas Javier (Argentina)

Co Chairperson: Pereria Adhelma (Argentina)

Speakers:

Impulsiveness in Adolescents with Borderline Personality Disorder: The Importance of Trauma

Pereira Adhelma (Argentina)

Addictive Behaviour in Adolescents: a Family Issue

Didia Attas Javier (Argentina)

Self-Destructive Behaviour in Adolescents with Personality Disorders

Arias José (Paraguay)

Alcohol and Adolescence

Fernández José Luis (Argentina)

Autobiography Techniques for Working with Adolescents

Guajardo Humberto (Chile)

Violence and Adolescence: an Overview

Chairperson: Molina Gipssy (Venezuela)

Speakers:

Neurobiology of Violence Vs. the Social Context of Adolescents'

Molina Gipssy (Venezuela)

Ethics and the Use of Psychopharmacological Drugs

Rodríguez Olga (Venezuela)

Violence Committed against and by Children and Adolescents

Vázquez María (Venezuela)

Clinical Research in Psychiatry: from Illness to the Venezuelan Reality

Chairperson: Rojas Malpica Carlos (Venezuela)

Speakers:

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Towards a Comprehensive View of Adolescents with Conduct Disorder
Mobilli Adele (Venezuela)

Factors Involved in the Recognition of Depression by Non-Specialized Physicians

Linarez Pastora (Venezuela)

Mental Disorders as Risk Factor in the Evolution of Acute Coronary Syndrome
Posadas Jorge (Venezuela)

Analysis and Closure
Alarcón Renato (USA)

Psychotherapy of Childhood. Four Perspectives with a Common Objective: Analyzing the Manifestation of Symptoms through Affective Ties, Games and Music. The Child as Absolute Priority

Chairperson: Mobilli Adele (Venezuela)

Speakers:

Linking Psychotherapy
Mobilli Adele (Venezuela)

Psychodynamic Psychotherapy
Freiria M. (Venezuela)

Recreational Therapy
D'Antico M. (Venezuela)

Music Therapy
Romano F. (Venezuela)

Globalization, Violence and New Issues

Chairperson: Leal Marchena Nora (Argentina)

Speakers:

Changes in the Thinking Mechanisms in Times of Globalization. Contributions for a New Psychiatric Semiology
Leal Marchena Nora (Argentina)

Medicalization of Society and New Entities in Psychiatry
Cía Alfredo (Argentina)

Disruptions of Violence in Thought
Deprati Cristina (Argentina)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Transcranial Magnetic Stimulation (TME) in Psychiatry

Chairperson: Marcolin Marco A. (Brazil)

Speakers:

Mechanism of Action. Techniques for Its Use
Bonanni Matías (Argentina)

Other Uses of TME in Psychiatry
Kabar Michael (USA)

Brazilian Studies and Experience with TME
Marcolin Marco A. (Brazil)

ADHD – Latin American Research

Chairperson: Muñoz Christian (Colombia)

Speakers:

First Latin American Consensus on ADHD: Balance and Perspectives
Barragan E. (Mexico)

Research on ADHD Genetics in Colombia
Palacios J.D. (Colombia)

Current Status of Clinical Research on ADHD in Mexico. From Neuroscience to Epidemiology
Palacios L. (Mexico)

Future Directions of Latin American Research on ADHD
Muñoz F. Christian (Colombia)

Practices and Evidence of Ayurveda for Mental Health

Chairperson: Peña Luisa (Venezuela)

Speakers:

Health System in India
Peña Luisa (Venezuela)

Ayurveda Principles that Can Be Applied in Modern Medicine
Berra J (Argentina)

Typological Diagnosis at the Ayurveda Mental Health Hospital Kothacal, Kerala
Peña Luisa (Venezuela)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

[Panchakarma and Taste to Restore Mental Health and Physical Balance](#)
Berra J (Argentina)

Addictions Treatment: Care System, Guidelines and Treatment

“José Felix Ribas” Foundation

Chairperson: González Carolina (Venezuela)

- Speakers:
- [Treatment System](#)
Villasmil Juvenal (Venezuela)
 - [Treatment Guidelines](#)
Barbosa Sandra (Venezuela)

 - [Treatment Protocol](#)
Civira Mirna (Venezuela)

[Genetic and Psychiatry: Defining Endophenotypes](#)

Chairperson: Silva Hernán (Chile)

- Speakers:
- [Mood Instability in Type II Bipolar Disorder and Limit Personality Disorder. Defining Specific Endophenotypes](#)
Silva Hernán (Chile)

 - [Genetics of Temperament Dimensions](#)
Villarroel Juana (Chile)

 - [Pharmacogenomics in the Treatment of Depression](#)
Alarcón Renato (USA)

 - [Neurobiology of Impulse Control Disorders](#)
Trino Baptista (Venezuela)

Psychiatry and Spirituality, Definitions and Tactics for Implementing Them in Latin America

Chairperson: Lande Hugo (Argentina)

- Speakers:
- [Beliefs and Spirituality in Native Andean Peoples: Their Contribution to Mental Health](#)
Flores Dorys (Argentina)

 - [Politics and Spirituality in Latin America: the Role of Psychiatry](#)
Smud Arturo (Argentina)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Some Reflections on the Concept of Spirituality when Practicing Psychiatry in such an Unstable World

Lande Hugo (Argentina)

Epidemiological Evidence of a Causal Relationship between Cannabis and Psychosis

Chairperson: Núñez Domínguez Luis (Spain)

Speakers:

Introduction

Núñez Domínguez Luis (Spain)

Psychosis and the Endocannabinoid System: Two Faces of the Same Coin

Fernández-Espejo Emilio (Spain)

Animal Models for the Evaluation of Psychotic Symptoms and Other Comorbid Neuropsychiatric Alterations Associated with Neurodevelopmental Insults: Interactions with the Endocannabinoid System.

Paz-Viveros María (Spain)

Bipolar Disorder: Advances and Controversies

Chairperson: Tamayo Jorge (Colombia)

Speakers:

Historical Perspectives of Bipolar Disorder

Fumero Ileana (Puerto Rico)

Sexuality in Patients with Bipolar Disorder

Díaz Bárbara (Puerto Rico)

Redefining the Phenomenology of Bipolar Disorders Based on an Endophenotype Approach

López Carlos (Colombia)

Controversy about the Use of Antidepressants for Bipolar Disorder

Tamayo Jorge (Colombia)

Violence and its Expressions

Chairperson: Lespinasse Robert (Venezuela)

Speakers:

Violence in Venezuela

Lespinasse Robert (Venezuela)

Preliminary Program: Updated on September 15th, 2008
Dates and Times of the Session will be published in October 2008

Neurobiology of Violence
Smaili Ali (Venezuela)

Displacement and Violence
Velásquez Elvia (Colombia)

Gerontopsychiatry

Chairperson: Caban Carlos (Puerto Rico)

Speakers:

Depression in Old Age
William Julio (Puerto Rico)

Alzheimer's Disease Actualizations
McCarthy Vilma (Puerto Rico)

Brief Scales for the Assessment of Alzheimer's Disease
Caban Carlos (Puerto Rico)

Personality and Anti Sociality. The Importance of Trauma

APAL Personality Section

Chairperson: Koldobsky Nestor (Argentina)

Co Chairperson: Pereira Adhelma (Argentina)

Speakers:

Trauma: Risk Factor for the Personality Disorders
